IMPORTANT

It is understood that attendance at Laurence Manning Academy is a privilege and not a right. This privilege may be forfeited by any student who does not conform to the standards and regulations of the institution. Laurence Manning Academy may request the withdrawal of any student at any time who, in the opinion of the administration, does not fit into the spirit of the institution, regardless of whether or not he conforms to the specific rules and regulations.

Laurence Manning Academy feels strongly that our students, faculty, and staff should stand in unity and respectfully to honor our nation's military and veterans during the playing of the National Anthem and for the reciting of the Pledge of Allegiance.

FORWARD

The purpose of this book is to give the students and parents an outline of the objectives, standards, and rules of our school. This book may not contain the answer to all problems that occur during the school year, but it does establish guidelines for arriving at a fair solution for each problem. Parents and students should be aware that the Laurence Manning Academy administration reserves the right to make all final decisions related to school policies and procedures, as well as to any policies to benefit the school. Please keep it in a convenient place and refer to it throughout the school year. Being familiar with its contents will eliminate many questions you might have. It is our wish that each of you has a happy and successful year. Your success is our future.

STATEMENT OF PRINCIPLE

The primary purpose of Laurence Manning Academy is to promote quality education and moral standards in a Christian atmosphere of higher learning and academic excellence. College transcripts will reflect rank and GPA using the South Carolina Uniform Grading Scale Policy.

The Academic Committee may review individual cases for students who transfer in after the tenth grade and do not meet all course requirements for a CP or Honors diploma. All Dual-Credit courses taken through Laurence Manning Academy, the F.E. DuBose Center, Troy University, and the University of South Carolina will receive “AP/IB” level academic weight based on the Uniform Grading Scale.

Dual-Credit courses may be taken by Laurence Manning Academy students through the F.E. DuBose Center, Troy University, and the University of South Carolina. Although the number of dual-credit hours taken by LMA students is not restricted, no more than 30 credit hours of LMA-approved dual-credit hours will be applied towards a student’s LMA GPA and graduation/class rank. Of those 30 credit hours, (1) the classes must be on the LMA-approved dual enrollment class list issued and approved by administration and (2) the first 30 credit hours of LMA-approved courses taken will be applied to the student’s LMA GPA and graduation/class rank.

Additionally, Correspondence Courses and Independent Study courses may only be taken if there is a conflict with the student’s class schedule based on academic tracking. Both Correspondence Courses and Independent Study Courses will carry only the academic weight of the actual course that is being taught currently at the school. Furthermore, it is solely the responsibility of the individual student or parent to request such courses when needed.

Grading

Report cards will be issued to all students at the end of each grading period. Midway through each grading period, interim reports will be sent home with student and/or be available via Headmaster Online to the parents of all students in grades 1-12. All hard copies of test papers in grades 1-5 will be sent home to be signed by the parents and returned to the subject teacher. Otherwise, work may be viewed in Microsoft Teams. The signing of papers/viewing of assessments will help keep you informed of what your child is doing in the classroom. Any student who fails to return signed papers (grades 1-5) or interim reports (grades 1-8) will be subject to disciplinary action.

Those students who have maintained at least a ninety-three (93) average in a course during the year will be allowed to exempt the second semester exam in that course. All exemptions are subject to the administration’s approval, and students who have a poor disciplinary or attendance record will not be allowed to exempt the exam in that course. Additionally, no grade above 100 will be recorded on any report card or permanent record.

Cumulative tests will be given at the end of each grading period. Grading is done alphabetically according to the following scale (updated July 2016 - SC Commission on Higher Education) (LMA grading scale assignment by grade level updated July 2018):

K-5 students must meet readiness requirements to advance to 1st grade as determined by test scores and administration.

Students in grades 1-5 failing reading, math, or who are failing any three subjects or who are failing the same subject for two consecutive years will be required to repeat the grade, unless otherwise recommended by the administration after consultation with the teachers and parent. The administration, after consultation with the student's teachers and parents, will make the final decision concerning grade remediation or promotion.

Students in grades 6-8 failing any three subjects or failing the same subject for two consecutive years will have to repeat the grade unless otherwise recommended by the administration after consultation with the teachers and parent. The administration, after consultation with the student's teachers and parents, will make the final decision concerning grade remediation or promotion.

Students in grades 7-12 who do not take their final course ending exams will fail the subject for the year.

Students in grades 8-12 who fail a subject may repeat the subject for credit in summer school or through an approved credit recovery program provided permission to take the course is obtained from the administration. Credit for new subjects taken during summer school will rarely be given. Students may request to audit a course with the permission of the school administration. Audits must occur prior to the end of the first semester of instruction. Courses that are audited must be taken outside of the traditional academic school day through either summer school or other approved programs by the school administration. Additionally, any student who has a grade below 70 on their high school transcript or in dual-enrollment courses will not be awarded an Honors Diploma.

Class Rank

Class rank will be determined by year end grades using the UGS scale, ranking only academic subjects. The Valedictorian and Salutatorian will be the top two cumulatively ranked academic seniors according to the UGS scale ending with the fourth marking period of the student's senior year.

Transfer Students

Transfer students are very much welcomed at Laurence Manning. Accommodations will be made to ensure the best possible atmosphere for each transfer student. Parents of transfers are reminded that those students transferring after the 10th grade will not be assigned rank in the class order for the academic honors of Marshal, Valedictorian, and Salutatorian. Additionally, students that transfer during their senior year will not be assigned class rank.

College Open House/Admissions Visits

Seniors are allowed two college days their senior year. Arrangements must be made in advance with the Guidance Office.

Individual Educational Needs Policy

Laurence Manning Academy is keenly aware of the educational needs of each student. To ensure that the educational success of each student is fully reached, Laurence Manning recommends that parents of students diagnosed with any medical condition such as ADD/ADHD, a learning disability, or an allergy, should inform school personnel and provide proper documentation at the beginning of school or immediately following diagnosis.

If your child's diagnosis or medical condition changes during the course of the year, please inform school personnel.

Extra Help Periods

Tutoring and after school help is designed for remediation and/or for students who faculty identify as not demonstrating mastery of subject matter or students who have demonstrated an uncharacteristic drop in grades. Students may request special instruction before or after school. These requests must be made in advance. The teachers want to give this help; however, no teacher is expected to stay and give extra help to a student who is inattentive, does not bring in homework, and wastes his regular school time. Parents are responsible for transportation for students who stay after school.

Conferences and Parent Visits

Parent-teacher conferences are encouraged. Parents are asked to request these conferences after school hours and at least one day in advance.

Parents are asked to request classroom visits through the school administration. Request should be submitted at least one day in advance. Parent visits should NOT become a disruption to or distraction of the classroom learning environment. Parent visitors must be issued a visitor badge when they check-in/sign-in in the office. *Visitors are required follow school safety and health protocols if allowed to access the school.*

Make-up Work

Students who have an excused absence have the privilege to make up class work and tests missed; however, it is the student's responsibility to get the assignments from the teachers and to arrange a time to take the tests. The teacher is to coordinate with the area principal and student to develop a fair timeline/schedule to complete missed assignments.

Outstanding assignments due to absence will be marked with a zero '0' in the PowerSchool gradebook. Any outstanding assignments that are not completed within the designated time or within dates established in writing by the teacher remain a "0" in the PowerSchool gradebook and cannot be completed for a passing grade.

If a student fails to complete missed work within the designated/established schedule, the teacher will report student's outstanding assignments to the area principal. Parents/guardians will be notified.

Students who have been previously assigned a test and come to school/attend the class, and then leave school for any reason before the assigned test is taken, must make the test up the following day. The instructor of each course or grade level has the right to amend make-up work or tests as deemed necessary.

Parental request for missed assignments must be submitted to the teacher or area office in a timely manner to help expedite the collection of assignments. However, most missed assignments are available through Microsoft Teams. Please understand that these assignments may not be available until after school and availability will also largely depend on when the request was submitted.

Attendance Policy

Attendance is a critical and important part of the grading system at Laurence Manning. A student missing class (unexcused) ten (10) times may face academic penalties and may not be permitted to pass that subject and may not be promoted to the next level. Exceptions to this rule can be granted when extended illness is involved. Extended illness is any absence due to sickness that requires a student to miss more than three consecutive days. The ten-day rule is a state statute and we are required to obey the law. **Students who leave school early are counted absent for a half day for school attendance and will be marked absent from the classes they miss.**

The accumulation of five (5) or more unexcused absences during a semester will result in the loss of exam exemption privileges and requires parents/guardian and student to

conference with administration. Truancy will be indicated on the student's permanent record and official transcripts.

Students with excessive unexcused absences may not be permitted to participate in school trips (field trips, etc) or special events (prom, homecoming, etc.).

Unless a medical absence was coordinated with the school nurse, parents must send an excuse within two school days following the absence; otherwise it will be considered an unexcused absence. Parent written excuses for illnesses that are not accompanied by an official doctor's excuse OR coordinated with the school nurse will not be considered excused if the excuse is not brought/submitted to the office within two school days of the students return to school. ILLNESS, FAMILY TRAUMA, OR MEDICAL APPOINTMENTS shall be the basis for an excused absence. Written excuses stating the reasons for the absence are required.

After the tenth tardy, truancy will be indicated on the student's permanent record and official transcripts.

Tardiness

Laurence Manning Academy requires all students to be on time to school and to their classes during the school day. Tardiness is considered a serious offense. Please keep in mind that tardiness generally results in poor academic performance.

High School and Middle School Tardiness Policy

1. The accumulation of **every third tardy will be designated as an unexcused absence.**
2. The accumulation of more than four tardies' during a semester will result in Wednesday Detention.
 - A. Students are allowed one rescheduled Wednesday Detention and it requires a note from a parent/guardian.
 - B. HIGH SCHOOL STUDENTS: After being assigned two Wednesday detentions for tardies, student and parent/guardian will be required to attend a conference with administration. Student drivers may temporarily lose driving privileges.
3. The accumulation of seven (7) tardies' during a semester will result in the loss of exam exemption privileges.

After the tenth tardy, truancy will be indicated on the student's permanent record and official transcripts. Failure to serve assigned and scheduled detentions will result in a one-day suspension for each detention missed.

Lower School Tardiness Policy

1. The accumulation of every third tardy will be designated as an unexcused absence.
2. The accumulation of more than four tardies during a semester may result in a call to the parent.
3. The accumulation of seven or more tardies during a semester will result in a call to the parent from the area Principal as well as formal notification placed in the student's permanent record. Disciplinary action may be taken as well.

NOTE: Students are considered tardy if they are not in HOMEROOM for attendance at the tardy bell (8:05AM). Students who come in after homeroom or at the beginning of another class will be considered tardy. Parents must send an excuse within two school days following the tardy; otherwise it will be considered an unexcused tardy.

Exam Exemptions Policy for Middle and High School

Laurence Manning Academy strives to reward our top students for academic excellence in the classroom.

Those students who have maintained at least a ninety-three (93) average in a course during the year will be allowed to exempt the second semester exam in that course. Students may only exempt one exam for each course taken during the school year.

All exemptions are subject to the administration's approval, and students who have a poor disciplinary record, 2 or more Wednesday Detentions, 7 tardies to a subject period class, or any School Suspension during the year, will not be allowed to exempt any exams. Additionally, any student that has 5 or more unexcused absences per semester will not be allowed to exempt any exams.

Leaving school for any reason during exams without an official excuse will result in an administrative referral and an unexcused absence.

GRADE PLACEMENT AND ADVANCEMENT

Laurence Manning Academy reserves the right to place a student at the appropriate grade level. Previous academic record and test scores, as well as teacher recommendations, will be used to place students in grades one (1) through eight (8). The units required for grade advancement for grades nine (9) through twelve (12) are as follows.

Rising 10th grade- 6 units
Rising 11th grade- 12 units
Rising 12th grade- 17 units

CELL PHONE POLICY

The use of cellular phones and other personal electronic communication devices (including, but not limited to smart watches) is **strictly prohibited** in classroom areas. Personal phones, tablets, smart watches, and laptops are strictly prohibited during

graded assessments. Students in possession of any of these personal devices during a graded assessment will be written-up for suspicion of cheating.

Lower School Students (K3-5th) will be allowed to have a cell phone/smart watch at school either in their book bag or given to their Homeroom teacher.

Middle School (6th – 8th) students will be allowed to have a cell phone/smart watch at school, but it must be placed in container with their Homeroom teacher.

Any **Lower School or Middle School** student in possession of or using a cellular phone/smart watch during class, at break, or at any time during the school hours, may be placed in Wednesday Detention and have their cellular phone/smart watch confiscated.

Any **High School student** that is caught using a cellular phone/smart watch during class time will have their cellular phone/smart watch confiscated.

1st Offense is a warning. Parent is called by administration and the student may retrieve the device after school.

2nd Offense will result in a Wednesday Detention, the parent/guardian is called, and the parent/guardian must retrieve the device from administration.

3rd Offense will result in a suspension, the parent/guardian is called for a conference and the student is prohibited from bringing a personal device on campus for the remainder of the school year. Failure to follow these instructions will be deemed as defiance and may result in the student's dismissal from Laurence Manning Academy.

Cellular phones/smart watches confiscated must be retrieved by the student's parent and are subject to search by school personnel.

Laurence Manning Academy issued Apple iPad use is permitted and must be used in accordance with Acceptable Use Policy and the iPad Use and Obligations Agreements. Please refer to those policy documents for details.

Laurence Manning Academy is not responsible for lost, stolen, or broken devices.

BOOKS and School-Issued Electronics

Your books and school-issued media (iPads/chargers) are the property of the school. Please take care of them. We expect a certain amount of wear and tear on the books/devices. However, where there is excessive damage, the student/family are responsible for the cost for repair or replacement.

BOOKS: All lost books must be paid for before another book can be purchased to replace lost books. The replacement cost will be high.

SCHOOL-ISSUED iPADS/CHARGERS are to be returned to the school at the end of the school year or at the request of the school. Per the iPad Use and Obligations Agreements, Students/families are responsible for damage and replacement not covered under the device's insurance/care program. LOCKERS

Each individual student in grades 6-12 is assigned a locker in school. All students are expected to keep their lockers neat and orderly. Lockers are the property and responsibility of LMA. LOCKERS CAN BE SEARCHED. LMA reserves the right to search any or all lockers at any time without the student's knowledge and/or presence.

GENERAL RULES

The usual rules of good behavior and good taste that one finds anywhere also apply at Laurence Manning Academy. We expect courtesy to one's elders and one's fellow students, strict attention and behavior in class, and orderly conduct in the halls and on the grounds. Students are expected to conduct themselves as mature young adults capable of functioning with the maximum of self-discipline. The administrative disciplinary policies which follow are to be used as guidelines and will be enforced emphatically and justly in an instance of childish or immature behavior. Other breaches of discipline or conduct not mentioned in the guidelines which are considered prejudicial to the best interest of the Academy on or off the campus, may result in disciplinary action. Since one of the primary objectives of Laurence Manning is to encourage the development of personal responsibility and self-discipline, regulations are kept at a minimum.

THE ACADEMY'S POLICY REGARDING THE USE OF ALCOHOL & ILLEGAL DRUGS

The Academy has no intention of intruding into the private lives of our board members, employees, or students. Our concern is that these individuals report to work/school in the mental and physical condition necessary to perform their jobs/ school tasks safely and efficiently, posing no danger to themselves or to that of their fellow workers. Students convicted of substance abuse violations, by State statute, will lose any merit-based scholarship the student may have earned.

ALCOHOL

The use or possession of alcoholic beverages on Academy property, is a dischargeable offense. Furthermore, no board member, employee, or student is permitted to report to work/school, school/SCISA sponsored event while under the influence of alcoholic beverages. An individual will be considered to be "Under the Influence" when consumption of any alcoholic beverage has impaired, or is likely to impair, the individual's job performance in the judgment of his or her supervisor, administration, or law enforcement. Any individual who is perceived to be under the influence of alcohol will be immediately removed from the job/school or the school/SCISA sponsored event.

DRUGS

The possession, sale or use of illegal drugs or the improper use of other drugs during working/school hours, at school/SCISA sponsored events, or on Academy premises is a dischargeable/expulsion offense. An individual is not permitted to work or attend school/SCISA events while under the influence of any drug that could adversely affect job performance or could jeopardize the safety of him/her, other individuals, or the public. The procedure for handling individuals perceived to be under the influence of illegal drugs or any drug that may adversely affect job performance is the same as the procedure for having perceived to be under the influence of alcohol.

Headmaster should not allow an individual suspected to be impaired to drive himself/herself. Transportation should be provided to the individual by calling a relative, a cab, driving the individual home, or if the individual is totally uncooperative, calling the local law enforcement authorities.

ALCOHOL/CONTROLLED SUBSTANCE SCREENING

It is the policy of Laurence Manning Academy, hereafter referred to as the Academy, to provide its Board, employees and students with a safe work environment that is free from the effects of illegal drugs and alcohol.

The Academy believes the use of drugs and alcohol presents a danger not only to the individual who uses drugs and alcohol, but to the entire Academy. Therefore, the Academy is committed to taking necessary steps to eliminate drugs and alcohol from the campus.

TESTING OF CURRENT BOARD MEMBERS, EMPLOYEES AND STUDENTS

Alcohol/drug testing of current board members, employees and students will be performed when there is a reasonable cause to believe that an employee or student on duty may be under the influence of alcohol or drugs. Determination of cause is within management's exclusive and sole discretion, but may include the following: unusual observed behavioral pattern, declining work performance, reasonable suspicion of drugs, personal or vehicle on-the-job accidents, etc.

Alcohol/drug testing for reasonable cause will be performed in conjunction with Clarendon Behavioral Health Services and the individual will sign the release form (Exhibit B). Individuals refusing to cooperate in the investigation, refusing to sign the release form, or undergo the required testing will be advised that they are in violation of Academy policy and subject to discharge/expulsion.

The student will not be allowed to drive on school property for 14 days. Upon completion of the recommended treatment, the student will again undergo screening for alcohol/drug use.

If results are positive for a second time, the student will be suspended from participating in any extracurricular activities for 14 calendar days from the date of the positive test. The student will not be allowed to drive on school property for 28 days. Failure to be diligent in study or in adhering to school regulations means that a student is guilty of misconduct and may lose the privilege of attending LMA.

Any student who is suspended from school will be allowed to make up the work missed with no grade greater than 59 (in grades 8-12) or no grade greater than 69 (Grades 1-7). This means a student will receive an "F" on all work missed.

STUDENT SIGN-IN AND SIGN-OUT POLICY

Laurence Manning Academy requires all students late to school or leaving early from school to sign-in or sign-out at the front desk/administrative office. Students that do not sign-in after coming to school late will be considered absent for the day. Students that do not sign-out before leaving school grounds will be considered as cutting. Disciplinary action will be administered in both cases as to the discretion of the administration.

STUDENT DROP-OFF AND PICK-UP POLICY

Laurence Manning Academy is committed to providing a safe and efficient morning drop-off and afternoon dismissal process for our families.

While providing multiple/assigned dismissal/pick-up locations on campus and staggered dismissal times (*2:15 p.m. for grades K5-5 and any K3/K4 students who do not dismiss at 12 p.m. / 2:30 p.m. for grades 6-12*), we also use *CurbSmart* software to make the afternoon dismissal process as timely as possible and to minimize traffic back-ups.

Enrolled families are issued a new placard (annually) to be displayed in the front window of their vehicle during afternoon dismissal/pick-up. The placard shows your family's assigned *CurbSmart* pick-up number. Our staff enters the number into LMA's *CurbSmart* software as you enter campus. Your children are immediately notified in their classrooms that their ride is on campus and that they move to the designated pick-up location. This is an efficient and safe process when we all work together.

To minimize traffic issues, including traffic back-up into Georgetown Road, we strongly encourage families to arrive as close to dismissal/pick-up time as you possibly can.

More are available in our Arrival and Dismissal Procedures Addendum link at our school website or you may request a copy from the school office.

The gymnasium is for the use of students, school organizations, and other authorized outside organizations during specified hours. The gym is not to be used except as authorized. Students using the gym after hours must get permission. If an approved adult is not present, students should assume that the gym is not open for use.

Outside organizations must pay a rental fee for the use of Laurence Manning facilities.

CHEERLEADERS

Cheerleaders are an important party of our athletic program; therefore, we consider cheerleaders to be an extension of our athletic endeavors and, as such, they must meet the same eligibility requirements as other athletes.

All girls in the third (3rd) – fifth (5th) grades are encouraged to be a part of the cub cheerleading squad. All girls in the sixth (6th) and seventh(7th) grades can try out for the B-Team cheerleading squad. All girls in the eighth (8th) and ninth (9th) grades can try out for the junior varsity cheerleading squad. All girls in the tenth (10th), eleventh (11th), and twelfth (12th) grades may try out for the varsity cheerleading squad.

The cheerleaders will sign up and try-outs will be held in April or May.
Cheerleaders are responsible for their uniforms.

A more detailed list of rules and regulations will be provided for each cheerleader by the school sponsor. All cheerleaders will be under the direct supervision of a school designated sponsor.

Junior Class Fundraising and Disbursement Policy

Classes throughout the school will conduct fundraisers to support the academic and extra-curricular activities that they may participate in as a class during their time at Laurence Manning Academy. Examples of these activities include: Class Trips, Miss LMA Pageant and the Junior-Senior Prom. These fundraisers will include but not be limited to school break sales, t-shirt sales, food sales, concessions, and any PAT related project sales that are approved by the Laurence Manning Academy Board of Directors.

After all of the financial obligations related to the class' last major project (Junior-Senior Prom) have been taken care of, 100% of all remaining funds will be given back to the school as a class gift. This disbursement includes any additional monies raised specifically for the Junior Class extending into the class's senior year.

Only funds raised specifically for the class's senior trip will be disbursed to the class members that qualify for such monetary distributions. Qualifications for the disbursement of senior class trip monies are as follows:

Criteria for Disbursement:

- A. Funds that are raised as a total class project will be distributed equally to ALL students registered and starting on the first day of school during the class's senior year.
- B. Funds raised by individual sales, specifically for the senior class trip, will be disbursed only to the class member responsible for the sales.

FINANCES

All funds for the operation of Laurence Manning Academy come from tuition, contributions, and fundraising activities. We operate on a monthly basis; therefore, it is imperative that fees be paid promptly. A student whose fees are not paid will be subject to suspension until those fees are paid. Bills are paid in the following manner:

1. Tuition is to be **paid for 12 months** on or before the 10th day of each month, **beginning June 1st.**
2. Tuition fees are made payable to Laurence Manning Academy.
 - a) A late charge of 5% of the outstanding balance will be charged to all accounts not paid by the tenth of the month.
 - b) Should a person become delinquent on his fees, it will be necessary for that individual to meet with the headmaster and financial director to explore Debt Settlement/Financial Agreement in order for the student to return to LMA. If

the Agreement is not honored, the parent will be notified and the student will be disenrolled. Otherwise, the account holder must schedule a meeting with the finance committee to make arrangements to make payments.

- c) A twenty- five dollar fee will be charged for returned checks.
- 3. Student report cards will be held and parent/student access to online reporting will be suspended each grading period when tuition is delinquent.
- 4. Student records/transcripts will be held until accounts are settled or in good standing.
- 5. All payments are made payable to Laurence Manning Academy. Electronic payments (credit card, draft) may be made by contacting the Financial Office during business hours or by visiting the school website.
- 6. Please bring to the school administrative offices (1154 Academy Drive, Manning, SC 29102) or mail all of the above payments to Laurence Manning Academy, P.O. Box 278, Manning, SC 29102.

Tuition alone will not pay all of the school's operation costs; therefore, throughout the year, several fundraising activities will be held. All parents and students are urged to participate fully in order to make these events successful.
