

February 16, 2022

Dear LMA Parents,

Thank you for your continued support, prayers, and loyalty to our school, especially during this most difficult year. As a school family, we are blessed. We have once again risen to the challenges and have provided quality educational experiences, extra-curricular activities, and athletics to our students during one of the most volatile and uncertain periods in recent years. Equally as important, we have prayed for and with one another through it all.

As hard as it may be to imagine, it is already time for **re-enrollment for the Laurence Manning Academy 2022-2023 school year, our school's 50th Anniversary!**

Please carefully read and note the information below, as some procedures have been updated and our deadlines are firm.

Re-enrollment Dates and Procedures: Re-enrollment for our existing students will be online at www.LMAReg.com beginning on **Wednesday, February 16th**. Re-enrollment will continue until the **deadline of Monday, March 7th**. Please be sure to **fully update** all information on the online forms to help us with communications, permissions, and emergency contacts. This information is critical.

Please be sure to pay your registration fee at the time of submitting your re-enrollment application, as the application cannot be accepted, and the student's placement cannot be reserved without the registration fee. If you would like assistance in completing the online application, we are glad to help. You may stop by our high school office Monday through Friday between 7:45am and 3:15 pm. We have iPads available and will assist you.

Please note families with accounts that are not in good standing will not be allowed to re-enroll until the account is in good standing. If your account is not in good standing, please contact Mrs. Gloria Holladay (Director of Finance) or Mr. Tripp Boykin (Headmaster) right away.

Discounted Early Re-enrollment Fee: During this early enrollment period (February 16 - March 7), the registration fee for all current students re-enrolling in grades 1 through 12 will be discounted from \$150.00 to \$125.00 per child. Registration fees for K-3, K-4, and K-5 are listed in the attached information packet. Parents are reminded that after the March 7th deadline, the registration fee will be \$150.00 per child for children enrolling in grades 1 through 12.

Open/New Family Enrollment: **On March 14, 2022, we will open enrollment to NEW families** and we will continue accepting re-enrollment from existing families who did not take advantage of the early/re-enrollment period. **Classes will be filled on a first-come-first-served basis beginning on March 14th**. Because class availability may be limited, **please submit your re-enrollment and registration fees before or by March 7th!**

2022-2023 Tuition: The LMA Board of Directors has voted for a 10% increase in tuition for 2022-2023 that will be used toward the enhancement of faculty salaries and campus maintenance. Therefore, a single child (Grades 1-12) annual tuition rate will be \$3888.00. We have included a tuition schedule for all grade levels (K-12) and for single child to multiple children families. Instruction/Technology fees and Bus Transportation fees remain unchanged from 2021-2022.

Bus Transportation: Those families that will need the school's bus services will need to **complete the online bus registration form and pay the bus registration fee as soon as possible.** Parents are also reminded that space is limited on the buses and availability is on a first-come-first-serve basis. Be sure to include your bus **registration fee(s) of \$75 per child** with your online bus request form. Bus fees may be paid in full or may be paid over the twelve-month billing cycle (June through May of each year). Please see the fee schedule for details.

Additional fees (such as lab fees for students in science classes in grades 8-12) will be billed separately unless an all-inclusive tuition payment is requested by the parent through the school's Finance Office.

Please refrain from calling the offices regarding teacher/classroom placement information. If there is a specific placement concern you have moving forward, please contact the area principal. As a reminder, the Lower School principal is Anna Lynne Gamble and she may be reached at agamble@lmaedu.org. The Middle School principal is Mrs. Dee Dee Horton and she can be reached at dhorton@lmaedu.org.

Attached you will find a tuition and fee schedule, a tentative Academic School Calendar Overview for the 2022-2023 school year, and an online re-enrollment and registration fee link. Complimentary window decals will be sent to all re-enrolled and new families this summer with our 2022-2023 return-to-school mailer!

Once again, thank you for your continued support for Laurence Manning Academy. Our Laurence Manning Academy families are the life-blood of our school, the heart of the LMA experience, and make our school the great place it is.

Sincerely,

Your Laurence Manning Academy Board of Directors
and Tripp Boykin, Headmaster
