## 2024 -2025 Tuition and Fees

We have included a tuition and fees overview for all grade levels (K-12) and for single child to multiple-children families. To help in preparing for future campus projects, an annual Capital Campaign fee of \$100 per student has been included, as well as a building fee of \$100 to support annual maintenance of existing buildings. Instruction/Technology fees remain unchanged from 2023-2024. To address the significant increases in transportation costs (fuel, maintenance, etc), Bus/Transportation fees have increased for riders.

**Registration Fees:** (non-refundable)

Kindergarten (K3 – K5)	Grades 1-12

**2024-2025 Tuition:** To further simplify billing and to help clarify billing, the LMA Board of Directors has approved for tuition and fees to be combined into a single billable amount. This amount also reflects an increase in tuition for 2024-2025 that will be used to help keep pace with increased costs in the current economy.
